Welcome to Ottavio's

In our over 49 years on the boulevard, our family has had the pleasure of getting to know our many loyal patrons as friends. We have watched their families age and grow as they have watched ours.

We opened our doors in 1969 just down the street from where we are today. My brother Ric and Len worked side by side with our father Ottavio, in the kitchen. I worked in the front with our mother, Noella. It wasn't long before my dad's self-taught recipes and my mother's natural charm had our customers waiting around the building. We expanded in 1974.

As our growth continued, our parents sold everything and risked all to buy the land and build where we stand today. As a family we worked together to make it a success. Lessons learned from our parents help us to continue to serve you long after they have left the business. We hope you agree!

Many thanks to the people of Camarillo and Ventura County who were with us then, and support us today. We could not do it without you.

- Julie and the rest of the Belvedere Family, Len, Ric, Noella and always in our hearts, Dad (Ottavio)
